The following is a translation of an LfV report received from the USLO to the LfV Baden-Wuerttemberg:

a. Effective December 20, 1957 Subject was placed under the guardianship of the Kreisjugendamt Heidelberg after examinations revealed her suffering from mental illness resultant from *adverse* *revelations* *and* *extreme* *violence* the request of the Landrat of Kreis Heidelberg and extreme violence of Baldorf (whom LACHERT resides at Alte Friedhofstr. 1) and a member of the Baden-Wuerttemberg State Assembly, the LfV made a one-time payment of DM 400 to the Kreisjugendamt to defray some of the outstanding expenses of LACHERT.

b. On March 11, 1958, Peter LAHNSTEIN, deputy LfV Director, mentioned this matter to us and asked whether or not the American agencies with which LACHERT also had contact would be interested in making a one-time payment of the aforementioned type. LAHNSTEIN stated that in her present condition LACHERT makes all sorts of claims about her former contacts, the main theme being that of agencies which profited from her activities have now stopped contact with her and left her on her own. The Heidelberg Landrat and WILLINGER made mention of the fact that this situation was leading to adverse criticism within the populace and suggested a one-time settlement might serve to defray partially the present obligations which LACHERT has. LAHNSTEIN asked us to bring this matter to the attention of interested US agencies for any action they might deem advisable. Should there be a desire to make a one-time payment of the type mentioned, LAHNSTEIN offered to take over the administration of the matter if such was desired.

c. Please advise us soonest of any contemplated action in order that we can close this case.
